I have been consulted by the Borrower and have explained Borrower's position and the consequences of the Security fully and plainly before the Borrower and without regard to or consideration for my interests or the interests of the Bank. The Borrower declared that the Borrower fully understood the nature and effect of the Security and acknowledged that the Borrower is executing the Security freely and voluntarily and as the Borrower's own act and deed without any fear, threat, influence or compulsion of, from or by the Bank or any third party. I confirm that: (i) the person whose signature is witnessed below and to whom I provided this advice is the same person referred to in this Certificate as having received advice; and (ii) I gave the foregoing advice to the Borrower prior to the delivery of the Security to the Bank.
