Referral Program

For the purposes of this Referral Package, a referring party is considered a licensed mortgage broker/agent with a signed broker agreement with Equitable Bank or has an active referral arrangement in place with Equitable Bank¹.

This Referral Package is to be completed in full and provided to Equitable Bank by the referring party within five (5) business days from receiving the client's authorization to be contacted about an Equitable Bank Reverse Mortgage. Once the Referral Package is received, Equitable Bank will review it for completeness and eligibility to determine if contact is warranted. If deemed acceptable, the inquiring client will be contacted by an Equitable Bank Reverse Mortgage team member to further explore client need and product applicability. Should the client and Equitable Bank choose to proceed, a comprehensive application form will be provided to the inquiring client(s) for completion. If we deem the client does not meet the eligibility criteria for the reverse mortgage, we will communicate this to the referring party.
